

CREATING IBM CLOUD SERVICE

Date	26 OCTOBER 2022
Team ID	PNT2022TMID14695
Project Name	Hazardous Area Monitoring for IndustrialPlant Powered by IOT

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Tharun Polam's Account'. A 'Create resource' button is visible in the top right. The main content area is titled 'Dashboard' and features a 'For you' section with six cards: 'Build' (purple), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'IBM Watson Internet of Things Platform' (2 min), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Incorporate DevOps into your process' (20 min). Below this, there are four sections: 'News' (with links to IBM Tech Now, Badges to IBM Cloud Certification, SevOne Network Performance Management Version 6.4, and Gartner Magic Quadrant), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). The Windows taskbar at the bottom indicates a temperature of 31°C, a search bar, and the time 4:55 PM on 11/25/2022.
